August 2008

Dear Gail,

I want to let you know how much we appreciated the care and attention you and your staff took when fulfilling our topiary order for Dollywood's KidsFest. You understood that we were on a very tight deadline and handled our order with a definite sense of urgency. Our guests and hosts alike enjoyed the topiaries and many pictures were taken with them. We look forward to planting the topiaries and making an even bigger "WOW" statement next year.

Thank you again,

Kelli Bartee
